Middle School Transfer Process: Very IMPORTANT PLEASE READ

This process is very important for our 5th grade students who may be considering a middle school other than their home middle school. Some middle schools require attendance at a mandatory parent information meeting in order to be considered for a transfer.

Students who live in the Lewis attendance area are slated to attend Sellwood Middle School. Students who have transferred to Lewis are slated to attend their neighborhood middle school unless they choose to go through the transfer process. More information can be found on the PPS Enrollment and Transfer Office page at <http://readysetconnect.pps.k12.or.us>. Note: If you would like further information or any help with the transfer process, please contact the school office or the Enrollment and Transfer Office at 503 916 6360 .
